Escape to a private paradise where every detail is handled for you!

Our private beach house suits us well ! Enjoy poolside bali beds, 3 theatres, fire-pit, private dock, swim up bar, 250' waterslide, private chef and staff, and bedrooms each with private balconies and bathrooms. Our private boat and crew pick us up at the dock - we dive on our schedule, not on the public's. There's plenty to do on the island and at the house for non-diving companions as well. *Now this is an escape!*

We will certify you during the trip! This trip offers Open Water, Rescue, and Advanced Open Water certification opportunities!
